

ABSURD PROBLEM SOLVING

Pick a headline that describes a problem in your community, country or world.

What are the possible solutions to the problem? Do they seem so obvious that the whole issue is absurd? Or are there underlying concerns that make a solution difficult to achieve?

Discuss the pros and cons of the possible solutions and then pick the best one. Then write out the final solution.

THE PROBLEM

Define the problem here:

THE SOLUTION

Write your final solution here:

PROS

CONS

Write possible solution #1 here:
