Celebration Challenge

Choose one way to celebrate each day. What did you learn? What is your favorite way to celebrate?

June 28 National Alaska Day	Read about someone from Alaska.	Find a city in Alaska on a map.	Sing a song with Alaska in the words.
June 29 National Camera Day	Take a photo.	Learn how a camera works.	Take a photo without any filters.
June 30 National Meteor Watch Day	Learn what a meteor is.	Discover a meteor shower you would like to watch.	Stay up late and watch the sky. Count how many meteors you see.
July 1 National Postal Worker Day	Say hi to a postal worker.	Make a card for your postal carrier.	Learn about the postal system.
July 2 World UFO Day	What is a UFO?	Do you think UFOs are real?	Learn about famous UFO sightings.
