Celebration Challenge

Choose one way to celebrate each day. What did you learn? What is your favorite way to celebrate?

January 31 National Backward Day	Write something backward.	Walk backward.	Wear your clothes backward.
February 1 National Texas Day	Read a story about someone from Texas.	Find a city in Texas on a map.	Sing a song with Texas in the lyrics.
February 2 National Groundhog Day	Check to see if the groundhog sees its shadow.	How many more weeks of winter do you think we will have?	Read about groundhogs.
February 3 Optimist Day	Try being optimistic all day long.	Encourage someone with positive words.	How can being optimistic help you?
February 4 National Create A Vacuum Day	Create a vacuum.	Watch a science video about vacuums.	Complete the projects at www.nationaldaycalendar.com/classroom-vacuum
